Simplification of the Schedules of arrack and toddy shops which are annually published in the Gazette.

1 D. O. letter from the Private Secretary to His Highness the Maharaja, dated the 1 April 1906.
tes that His Highness's attention has been attracted by the bloated proportions of the Gazette containing the schedules of the arrack and toddy shops and desires to ascertain whether the schedule could not be simplified and the number of copies reduced with a view to lessen labor and expenditure involved in printing these schedules.

2 To the Excise Commissioner, No. Fl. 6834, dated the 17th April 1906.
Requests to be furnished with his views in the matter.

3 From the Superintendent, Government Press, No. 1038, dated the 24th April 1906.
Reports that the cost of printing the above sale notices and schedules comes up to Rs. 5,000 including the cost of paper and suggests the advisability of adopting some method of publishing them in future following the practice obtaining in the Madras and other Presidencies in order to save the material and time in the Press and reduce the cost of printing.

4 To the Excise Commissioner, No. Fl. 7427, dated the 5th May 1906.
Forwards copy of the above letter and requests the early submission of his views in the matter.

5 From the Excise Commissioner, No. 497, dated the 5th May 1906.
Explains that the forms of schedules in question have already been simplified and do not admit of being simplified further; and states that the suggestion to print the schedules for the different districts separately and distribute them to the respective districts for local publication and to publish the notifications alone in the Gazette may be approved.

6 To the Excise Commissioner, the Superintendent, Government Press, and the Deputy Commissioners of districts, No. Fl. 7942-51, dated the 17th May 1906.
Passes orders accordingly.

SIR,

In forwarding herewith a copy of Excise Notifications and Schedules just printed, I have the honor to bring to the notice of Government that the manuscript copy for same was received at the Press on 22nd February last, and the whole work comprising 775 pages of English and 850 pages of Kanarese had to be completed by the end of March. The cost of printing these Schedules amounts, approximately, to Rupees 5000, including paper. To execute this extensive work within so short a period, almost the entire Press Establishment was employed working every day from 8 A. M. to 8 P. M, thereby retarding the progress of other works on hand, and disarranging the whole Press for some time.

"Whilst this work was being executed from Press was honored with a visit by His Highness H.H. Maharaja, who was accompanied by

by Mr: Maconochie. Seeing the magnitude of the work, they enquired whether it was not possible to issue the Notifications in a less expensive form. Hence the reason for my bringing the facts of the case before H.M. Registrars' Government now.

I believe the practice in Madras and other Presidencies is, that the Notifications alone are published in the official Gazette, and the details of the Schedules &c are published in the District Gazettes by the respective Collectors, or written and posted in some prominent place in the Talluk. I hope Government may be able to adopt some such method for the future, if it can be done without detriment to the important nature of the sales. It would be a great saving of material and time in the Press.

I have the honor to be,

Sir,

Your most obedient Servant,

29th March 1893 and it was observed

that it is of primary importance that all

available information should be published

2. The form of the schedules has since been slightly altered to suit the circumstances consequent on the change of system in the administration of arrack and toddy revenue and in view to curtail the size I struck off this year two columns i,e date of sale and place of sale. The forms as they now stand are herewith submitted and could not in my humble opinion be further simplified without omitting a portion of the necessary information.

3. The suggestion to print the schedules for the different Districts separately is good and may be adopted. The notification only may be published in the Gazette. The Schedule may be separately printed and distributed to the respective Districts. I beg leave to urge the posting of copies in conspicuous places for

To the majority of the recipients of the Gazette/the Schedules are of the smallest use and a great amount of labour and expenditure in printing these statements is thus wasted.

But the Excise Commr, who was Consulted in the matter, states that the form of the Schedule does not admit of further Simplification and Considers that it will be sufficient if the Notification alone is published in the Gazette and the District Schedules are printed Separately and distributed for publication in the Districts. This recommendation is approved. To give the widest publicity to the Sales, Copies of the District Schedules will be posted in Conspicuous places & also supplied to all likely Contractors
